WHAT IS GOD ASKING YOU?

A little over five years ago, Pastor Mike preached a sermon on actively living out one's faith. A good sermon – but nothing earthshaking. However, a few days later an old elder from the village of Noorvik called out of the blue to ask me if I knew anybody that was doing Vacation Bible School. Their village was in need of a team to come up and help lead one the next summer (2015). This question led to me to ask Pastor Mike about the possibility of Clear Water sending a team up to lead a VBS the next summer. After all, I had some experience with helping with VBS's and felt that was something that I would feel comfortable leading. After we prayed and got back to the elder, Donna Zibell, the first Noorvik Mission team was born.

The mission has grown to include a three day camp that involves the middle schoolers and high schoolers from Noorvik – 26 of them this year. One of the changes that we hoped would help develop a vision for leadership, was to have the youth camp prior to VBS this year. So, our team of eight Clear Water leaders spent three days camping out on the Kobuk River using the time there to build relationships and to teach some of the biblical examples of discipleship as well as applications that brought each lesson home.

As a result, God blessed us with almost twenty Noorvik youth helpers when it came time to do the VBS sessions. Not only did we see God moving in the hearts of our young kids, but the older kids were actually seeing themselves in a mentoring role with them. The numbers of kids that came to VBS varied between 65 to 70. On the third day we presented the gospel message – that went well.

The challenge that I have for you is to ask what it is that God wants you to be doing. And then do it. With all of your heart, mind, soul, and strength. And joyfully!

Noorvik Mission Trip - July

Around the Bend

Thanks to Joshua Adams

Joshua quickly became an endearing member of the Clear Water family and served as our worship leader these last two and a half years. He is now headed back to Texas to be a greater support to his family during his dad's illness and to pursue a Texas girl. Thank you, Josh, for using your talents with us. We will miss you!

What will worship look like now?

I am excited to introduce Sofia Swan as our new worship leader. Sofia will lead worship twice a month and coordinate our bands. On the weeks Sofia is not leading, she will schedule guest worship leaders.

Sofia is a daughter-in-law to Hank and Darlene Swan who attend Clear Water Church. She is also Joshua Adam's friend. Believe it or not, Sofia led worship the past two and a half years at the church, in Texas, where Joshua was the worship leader prior to moving to Alaska. She "just happened" (said with a smile) to move to Alaska last week. Her husband, Caleb Swan, is ChangePoint's new high school director.

I cannot help but see her as God's provision. Welcome, Sofia!

Testimony except from Aubrey Merriner

“I worry about a lot of things a lot. Over the years, the only thing that really gives me peace and help me through these challenges is God. Some challenges have been going on for years, yet He still gets me through them and strengthens me so that I would be ready for my next challenge. My favorite verse since I was little is Philippians 4:13 – I can do all things through Him who strengthens me.”

The BIGGER Memory Verse Challenge is kicking off

Summer is coming to an end and school has started. That means there will be a new Bigger Memory Verse Challenge for the school year.

Rules for the BIGGER challenge: Enter the monthly challenge at least 5 different months from September through April 2020. You must truly know at least 5 of the monthly verses and enter your name each of those months. Whether or not your name gets drawn for the monthly prize, you will be entered in the grand prize drawing in early May. The monthly drawing has two age categories--13 and up, and 12 and under. The BIGGER drawing in May will combine these two age categories into one for the grand prize drawing of either a \$500 airline voucher, iPad, or \$500 Amazon gift card. The grand prize drawing will take place via Facebook live in early May.

Research shows that Bible engagement is the most effective way to grow spiritually. Let's have some fun increasing the competition for the memory verse challenge each month.
